

# TEXAS 4-H CONGRESS

## 2026 District 2 Information

Texas 4-H Congress is a four-day mock legislative experience for 4-H members going into 9<sup>th</sup> grade – through those who just graduated 12<sup>th</sup> Grade (at the time of the event). During this time, 4-H members assume the roles of legislators, lobbyists, and press corps to gain a first-hand understanding of how the legislative process works. Bills that are written and sponsored by 4-H members focus on issues concerning Texas and Texas youth. These bills are assigned to the appropriate committee, debated in committee meetings, and then on the floor of the House or Senate. If a bill is successful in negotiation and the legislative debate in all three stages, it is delivered to the Governor of Texas 4-H Congress for his or her signature or veto. Copies of all the bills that are signed into law during Texas 4-H Congress are provided to the Office of the Governor for review.

### Age Eligibility

Official grades for Texas 4-H Congress are members going into 9<sup>th</sup> grade – through those who just graduated 12<sup>th</sup> Grade (at the time of the event). This is a prestigious event reserved for older 4-H members. **All youth wanting to participate as a District 2 delegate must submit this application to be considered:** <https://forms.gle/GVbvVwwj6DgCnTUY8>

*Those applying for press corps or lobbyists do not have to do this, however if they are not selected for those positions, they will probably want to come back and complete the District Delegate application.*

## **Submitting Legislative Bills**

Any 4-H member may submit a Texas 4-H Congress bill for consideration and debate. Participating in Congress is not a requirement. Writing and submitting a bill provides each 4-H member the opportunity to participate in an exercise in civic engagement.

All participants in Texas 4-H Congress must submit a COMPLETE bill for consideration. “All” includes Texas 4-H Leadership Team, Lobbyists, Press Corps, and District Delegates. To accomplish the writing and submission of legislative bills, it is recommended that the County Extension Agent, or a volunteer, assist the youth in learning what a quality bill includes, how to write one, and then submitting the bill on-line. Refer to the Texas 4-H publication entitled “Understanding the Texas Legislative Process, A Guide for Participating in Texas 4-H Congress.” This publication is located on the Texas 4-H website. 4-H members from the same county, or other counties, are not allowed to submit the same bill for meeting this requirement.
