

Employment Opportunity Borden County Water System

The Borden County Water Department will be accepting applications for a Water System Operator. Under general supervision you must be able to perform skilled work in the operation of a public water supply to include treatment systems, storage, distribution systems, and water quality assurance. Operate various tools and backhoe, collect water samples, read water meters, and conduct water testing. General plumbing, electrical knowledge and basic computer skills desired. You must be able to work outside of normal work hours as necessary to include weekends and holidays; regularly lift and or move up to 25 pounds and occasionally lift and/or move up to 80 pounds. High school graduate or equivalent; experience in water systems preferred. A pre-employment drug/alcohol test and background check is required.

Special job requirements include the possession of, or the ability to obtain, a Class A CDL Texas driver's license within six months of employment; possession of, or the ability to obtain, a Class D Water Operator's license (groundwater) within the first year of employment; ability to obtain various other licenses and certifications as required.

Applications are available in the Borden County Judge's Office located at 117 East Wasson, Gail, TX, 79738. You may contact the Borden County Judge's Office at 806-756-4391 or email bordencj@poka.com for more information. Borden County is an equal opportunity employer.
