

# APPLICATION FOR SOIL CONSERVATION

Date: \_\_\_\_\_

Precinct #: \_\_\_\_\_

I am requesting Borden County to provide soil conservation services (fireguards), on my property, in the area listed below under Title 7, Section 201.151(a) of the Agriculture Code. I understand there will be a reasonable charge for this work. (See the rate schedule attached for applicable charges.)

This application is valid for the soil conservation services (fireguards) listed below.

This application is considered non-renewable.

## Liability

The owner of the property shall make the County and its agents, employees, or contractors aware of any hazards that might cause damage to property or personal injury in the course of performing the requested work; said hazards including, but not limited to, buried flow lines, gas lines, electric cables, and communications cables. It shall be the responsibility of the land owner or his designated agent to contact any persons or entities that maintain or have any interest in buried pipes, cable, etc. to have them clearly marked on or near areas where the requested work is to be done. It shall be the responsibility of the land owner or his designated agent to have all above-ground pipelines, cables, etc. clearly marked on or near areas where the requested work is to be done.

The owner of the property shall agree to indemnify and hold harmless the County and its agents, employees, or contractors from any liability of any nature, for personal injury, property damage, or any other damage arising out of the work performed.

Give a brief description of location for fireguard maintenance:
